Why Toucan Giving?

- Toucan Giving is a specialist fundraising technology provider based in the UK delivering intelligent fundraising solutions designed specifically for Non-Profit, fundraisers and donors across the UK, Europe and Canada.
- Toucan provides a comprehensive donation platform that combines contactless giving, smartphone-based fundraising, donor management, cash donation processing and management information within a single ecosystem.
- Toucan Giving has processed more than £120 million in donations across the UK charity sector alone.
- Our portfolio is designed to support organisations operating in increasingly cashless environments while reducing barriers to giving, improving donor experiences and providing charities with robust reporting and administration tools, modernising the way that Non-Profits fundraise and helping them to safeguard vital donations long into the future.

Toucan COLLECT

Toucan Collect is an easy-to-use, mobile donation app that lets Not-Profit organisations collect and manage donations anytime, anywhere. Using secure tap-to-pay technology, any compatible smartphone becomes a donation device - no extra hardware needed.

Available on iOS and Android.

Flexible, Risk-Free Fundraising:

No Start-Up Costs: Monthly licence fees only apply when donations exceed \$18.95.

No Contracts: Truly pay-as-you-go with no long-term commitments.

Designed for Simplicity

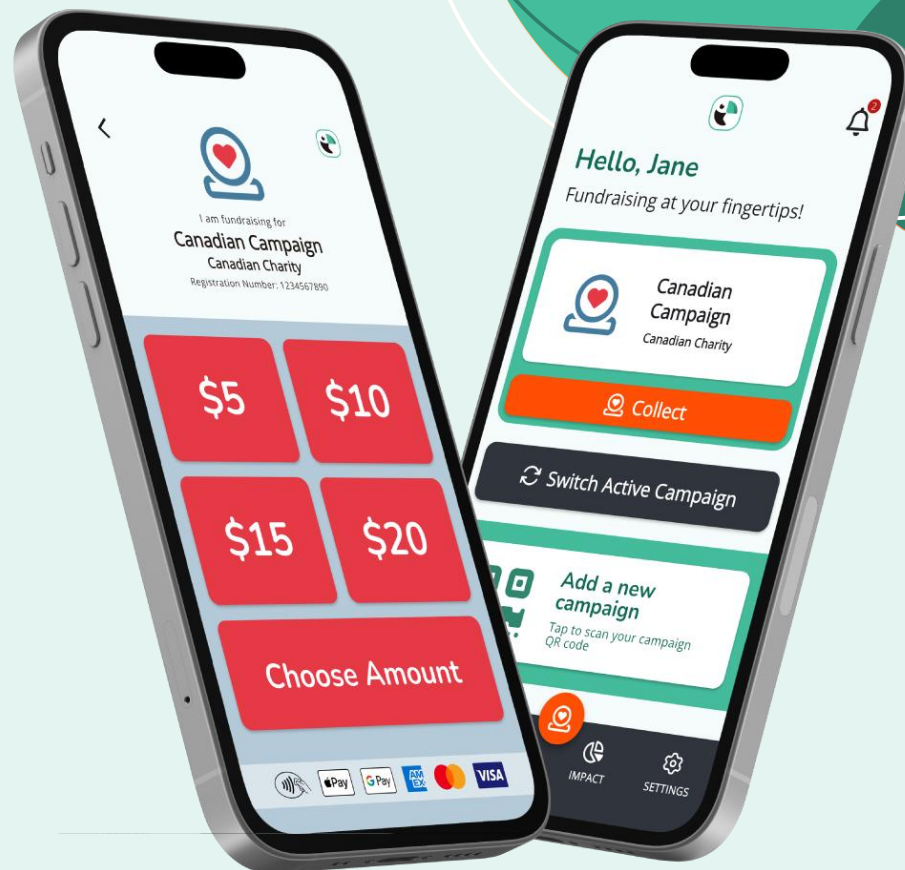

No Expensive Equipment: Use just a smartphone.

Quick Setup: Connect your Stripe account and start fundraising in minutes.

Campaign Management: Create unlimited campaigns, set goals and suggested amounts.

Easy Team Sharing: Share campaign QR codes with fundraisers to start using immediately.

Rich Reporting: Export XLS or CSV reports for easy reconciliation.
